Yogalates

Yogalates is a fitness and wellness practice that combines elements of yoga and Pilates, creating a unique and comprehensive approach to physical fitness, flexibility, and mindfulness. It is designed to promote overall well-being by incorporating the principles and exercises of both yoga and Pilates into a single workout.

Dancercise

Dancercise is an energising dance exercise class using music from different genres to get you moving. Within on session, you'll be winding your hips to a strong Reggaeton beat one minute, disco dancing the next, before moving onto a cheeky shimmy in a catchy salsa number!
